SWARN PRASADAM

“INDIA’S MOST HEALTHIEST & LUXURIOUS SWEET”

₹ 1,11,000/ - KG

Once upon a time, CA Anjali Jain and her husband Kunal Patolia were searching for a way to boost their young son’s immunity. From London to New York, they explored many supplements, but nothing felt right. One day, they realized the solution might lie closer to home—in Ayurveda. Working with Ayurvedic experts, they developed Swarn Prasadam, inspired by the powerful, time-tested benefits of Swarn Prasadam. The results were remarkable—not only did their son’s health improve, but a holistic wellness solution for all ages was born. Thus began a journey where ancient wisdom met modern science, creating lasting health for generations.
